

NOTICE – WASTE MANAGEMENT – July 9, 2019

WASTE MANAGEMENT

Sand bags :

- The Municipality will proceed with the collection of sand bags during the week of July 15th to the 19th and invites you to put your sand bags by the curb by Sunday night
- Those who will not have their sand bags by the curb for 7 Monday morning, must then bring them to the Ecocentre on Saturday August 10th 2019 between 12 noon and 4 p.m.
- A contractor will proceed with the collection on Dollard, Noyers, des Frênes and Allen roads.
- For the other sectors in the Municipality, the Public Works Department will do the collection.

Containers for flood victims :

- The rental of garbage containers for construction residues pertaining to the floods will end on July 19th
- The containers are emptied alternately during the week.
- Reminder of the locations:
 1. Bélisle road (on the vacant lot situated between #103 and #113);
 2. Vieille Pompe and Dollard intersection;
 3. des Outardes and des Grues intersection;
 4. De La Baie and Laverdure intersection;
 5. Kennedy and du Ruisseau intersection;
 6. Terry- Fox and Cedervale intersection;
 7. Émeraude (near Saphir Road);
 8. Russell Road;
 9. Cochrane and Frazer intersection
 10. Located at the intersection of Bruce Road and Anne Street during the first week, and at the intersection of 2nd Concession and Pointe-Indienne Road during the second week.
- These containers must be used **solely by the flood victims AND for construction residue (*metal objects are excluded)**
- *****Please do not leave garbage next to the containers.**

Reminder for cumbersome objects:

- The collection of cumbersome objects is held during the weeks of the garbage collection.
- The Municipality invites you to leave your cumbersome objects by the curb on the Sunday evening, the week of the garbage collection.

Calendar on the collection of residual materials:

- See the link below for the municipal calendar representing the schedule for the collection of residual materials until August 9, 2019, date on which a new schedule will be applied. We will keep you informed as soon as possible of any future changes.
