

Good news for active citizens!

The ministère de l'Éducation et de l'Enseignement supérieur has granted financial assistance to our Municipality as part of its winter program "Plaisirs d'hiver".

The Municipality in partnership with Groupe Action Jeunesse will offer skating initiation workshops and four advanced workshops.

Places:

The workshops will take place at the three rinks (Davis park, Luskville and Quyon), therefore providing the opportunity to as many people as possible to take part in this activity.

Details:

The workshop is completely free! Classes are offered to children (5-12 years old), adults (20 and over) and we encourage seniors to participate!
