FIRE DEPARTMENT: The flashing **green** light!

Municipality of Pontiac

April 1, 2021 – 12:00 p.m.

What you need to know:

- Good news! As of April 1, the Highway Safety Code (HSC) officially allows firefighters to use the flashing **green** light to identify their personal vehicle when traveling to fire stations or to the scene of an incident.
- Approximately twenty firefighters from the Municipality of Pontiac have been using this equipment since 2016 as part of a pilot project. As of today, this pilot project becomes a permanent project.
- Showing courtesy to firefighters can help them get to an emergency location more quickly.
