<tr>
<td>1-Mike Mongeon</td>
<td>Mr. Mongeon had come to the session in November and had mentioned that the Braun road was in poor condition. Nothing has been done since, apart from leveling the path the day before. He represents the residents of the road who would like a long-term solution. In the past, there had been talk of paving the way at a cost of $ 800.00 per residence, but the proposal had been rejected. Residents want to start the road paving talks again. Mayor Labadie replied that she had been informed of the file after the November meeting. The mayor asks to accept our apologies. She and the director general traveled on Braun Road and, indeed, there is no more gravel on the road. One of the problems is digging ditches. We do not have the permission of Nature Conservancy of Canada to dig on their properties. We are looking for solutions. She encourages residents to make an appointment with herself and the administration to explore the various options. It is too late for this year due to the frost, but every effort will be made to correct the situation in the spring. The mayor again apologizes. The file is on the agenda for the next road committee meeting.</td>
</tr>
<tr>
<td>2-Lucinda Sanschagrin</td>
<td>Mrs. Sanschagrin stated that her animals have been poisoned and that pollution has major geological impacts and asked what the Municipality intends to do to correct the situation. The Mayor replied that she was not qualified to answer this question and that the file had already been transferred to the competent authorities.</td>
</tr>
<tr>
<td>3- Carl Hager</td>
<td>Mr. Hager asked if there was anything provided in the 2020 budget for Montagne Road. He also asked if anything would be done for derelict or abandoned properties. He wants information about the ramp and stairs at the community centre in Quyon and would like to know if his residence is in the ZIS. The mayor replied that the budget would be tabled next Wednesday. There is a borrowing bylaw for Montagne Road. As for derelict properties, a resolution will be presented tonight to hire an inspector. The ZIS has just been published</td>
